# The Jogger

**(COVID-19 version)**

Hello, Everyone,

I hope you had a good summer and were able to get outdoors as much as possible. Even with all the restrictions and changes to our daily lives, time sure does move along and it seems like forever ago since we were together! Unfortunately, we are unable to gather as long as this virus is among us. But, rest assured we are looking for ways to connect.

Please stay busy, safe and connect with friends and family. This is such a strange time!

If you are in need of any assistance, please reach out to me, or any of our Board members, and we will do our best to help you. I look forward to the next time we can get together.
